- Water wash style with various sized openings, call for details and pricing.
- Swivel casters.
- Non clogging duck-tip jet burner available.

ARWR-J13

American Range ARWR Series of Wok Ranges are design engineered to provide years of dependable service. Heavy gauge construction and Stainless Steel sides and front provide durability and easy cleaning. The top is heavy gauge steel with welded on stubs to firmly hold the wok. A large aluminum leverhandle for the gas valve facilitates "knee control" allowing hands-free cooking. The standard 23 tip jet burner gives 125,000 BTU/hr. heat capacity, with a Stainless Steel standing pilot for instant ignition.

Look to American Range for innovation, reliable performance, quality and attention to your equipment needs and prompt delivery, now and for all your future needs.
