

Specifications & Features

Model # EG4001-15

Electric Griddle

This energy efficient addition to the Cozoc line of products features a 304 stainless steel cooking surface. This translates to even temperatures on every point of the cooking surface. This also means you will have more “useable” cooking space than the leading competitor.

Estimated cost per day to run the EG4001-15 is only \$0.54 per day at 10 hours of daily working time (4.5KW, \$0.12/KWH)

Light weight, its only 20 lbs!

Only 8 minutes to heat up to 400F in ambient temperature room of 72F

FEATURES:

- Direct Desired Temperature Setting (DDTS)
- Even Surface Temperature
- Digital Temperature Display and Control
- Edge-to-Edge Cooking Capability
- Space Saving Design
- Green Energy & High Efficient
- Easy to Clean
- 304 Stainless Steel Cooking Surface
- Construction: Stainless Steel
- Even heat up to 450 °F
- Limited manufacturers warranty
- Note: Dimensions and Specification are subject to change without notice.
