

NOTE:

- * The sink should be inspected by the customer upon receipt and before any preparation for installation.
- Any defective sink should be reported immediately and should NOT be installed.
- * The cardboard template included in the sink package is supplied only as a guide.
- The actual use of the sink provides more accurate cutout.
- * Requirements may vary for installation in a granite, marble, stone, or butcher block countertop.
- * Installation by professional installers is highly recommended.
- Dawn assumes no liability for any damages incurred through the use of information provided in this publication or the installation.
