Professional Automatic Dough Rounder

Treat yourself to the best divider of the industry. Doyon's DR45 rounder is the best solution to save time, effort and labor expenses. The DR45 completely eliminates manual shaping of your dough in a compact space.

Dough portions from 3.5 oz up to 36 oz (100 g to 1000 g) can be gently and perfectly rounded in this compact rounder.

The DR45 can be completely taken apart without any tool for easy cleaning.

Ask your Doyon dealer about the dual function dough divider - rounder combo, which divides and rounds dough pieces in one step.
