

NU-VU®

The Oven/Proofer

For You!

Now YOU can do on-premise baking easily and economically.

The New NU-VU QB-3/9 features our patented V-AIR® system. The heat is distributed evenly throughout the oven cavity thus eliminating the need to turn pans.

The Proofer is pre-set for simplicity of use. Just fill with water and set the temperature.

NU-VU, The Leader in On-Premise Baking, offers everyone a quality oven/proofer. Take our over 30 years of baking experience and put it to use in your establishment.

*Shown with optional racks
