Instruction Manual

Model #2496

 **GOLD MEDAL**<sup>®</sup>

**FUNFOOD EQUIPMENT & SUPPLIES**

Cincinnati, OH 45241-4807 USA

# SAFETY PRECAUTIONS

	<p style="text-align: center;"><b>⚠ DANGER</b></p> <p>Machine must be properly grounded to prevent electrical shock to personnel. Do NOT immerse the equipment in water.</p> <p>Always unplug the equipment before cleaning or servicing.</p>
	<p style="text-align: center;"><b>⚠ WARNING</b></p> <p>NEVER put your fingers or any object into the heating area. We do NOT assume any liability for injury due to careless handling or operation of this equipment.</p>
	<p style="text-align: center;"><b>⚠ WARNING</b></p> <p>ALWAYS wear safety glasses when servicing this equipment.</p>
	<p style="text-align: center;"><b>⚠ WARNING</b></p> <p>Any alterations to this equipment will void the warranty and may cause a dangerous situation. NEVER make alterations to the equipment. Make sure all machine switches are in the off position before plugging the equipment into the receptacle.</p>
	<p style="text-align: center;"><b>⚠ CAUTION</b></p> <p>Do NOT allow direct contact with this equipment and the general public when used in food service locations. Only personnel that are trained and familiar with the equipment should operate the equipment. Carefully read all installation instructions before operation.</p>
	<p style="text-align: center;"><b>⚠ CAUTION</b></p> <p>This machine is NOT to be operated by minors. Minors are classified as anyone under the age of 18.</p>

## NOTE

Improvements are always being made to Gold Medal Products equipment. This information may not be the latest available for your purposes. It is critical that you call Gold Medal Products technical service department at 1-800-543-0862 for any questions about machine operations, replacement parts, or any service questions.

# Installation Instructions

## Checking Shipment

Unpack all cartons and check thoroughly for any damage, which may have occurred during transit. Damage claims should be filed immediately with the transportation company.

## Electrical Requirements:

The following Power Supply must be provided:

120 Volts, 60Hz, 3.5 Amps, 420 Watts

Your electrician must furnish sufficient power for proper machine operation. We recommend this Butter dispenser be on a dedicated and protected circuit. Failure to wire properly will void the warranty and may result in damage to the machine.

It is Gold Medal Products Company's recommendation that this machine be plugged directly into a wall outlet. The use of extension cords is not recommended. They may cause sacrificed and/or reduced performance and can become a safety hazard.

## Before You Plug In Machine:

1. Make sure the wall outlet can accept the grounded plugs (where applicable) on the power supply cord.
2. The wall outlet must have the proper polarity. If in doubt, have a competent electrician inspect the outlet and correct if necessary.
3. **DO NOT** use a grounded to un-grounded receptacle adapter.

## Operating Instructions

The Model 2496 Countertop B.I.B. is a front-loading, self-serve, counter butter dispenser. It utilizes the Bag-In-A-Box system for product dispensing. The nozzle height will accommodate all of today's popcorn bags, boxes and tubs. The heated cabinet maintains the topping at 135 degrees Fahrenheit.

Set the Model 2496 on the counter. Open the front to install the bag-in-a-box product. Place the bag-in-a-box vertically, with the opening for the quick-disconnect fitting at the bottom. Connect the fitting located on the back side of the door to the bag-in-a-box. Close the door and turn on the power switch located on the left-hand side of the door. Allow approximately one hour for product to reach serving temperature if starting with room temperature product. (HINT: Use one of Gold Medal Products back room warmers to pre-heat the topping boxes prior to use.)

## Controls And Their Functions

The main power switch is located on the left side of the front door.

The push button located on the nozzle is the topping dispense button. Press and hold this button to dispense the desired amount of topping.

## Care And Cleaning

### Sanitizing Instructions

Your Model 2496AD is all stainless steel construction. The exterior surface can be cleaned by wiping oil spills with a dry towel, then wiping with another towel moistened with mild soap and warm water.

#### Sanitizing the internal parts; tubing, pump, etc.

1. Disengage the bag connector from the bag of oil and place it in a pail of hot water and mild soap; approximately 1 gallon.
2. Push the dispense button to flush the system of oil. Make sure you have a container under the discharge tube before you discard the oil.
3. Put the intake line in the hot water and pump it through the lines by holding the dispense button until the pail is empty.
4. Fill the pail with a sanitizing solution. Gold Medal offers a product for this purpose, Chlor-Tech, part number 1109. Put the bag connector in the pail of sanitizer. Pump it through the lines by holding the dispense button until the pail is empty. It is not necessary to flush the sanitizer before the next step, but you may flush with water if desired.
5. Before the next use, install the connector to a bag of oil and pump oil until oil is dispensed through the discharge tube.

### Schedule for Cleaning

The recommended sanitizing schedule is every night.

#### Important:

This product is not intended for use with volatile food products, i.e. real butter.

# MAINTENANCE INSTRUCTIONS

	<p style="text-align: center;"><b>⚠ DANGER</b></p> <p>Do NOT immerse the equipment in water. Unplug your machine before servicing.</p>
	<p style="text-align: center;"><b>⚠ WARNING</b></p> <p>Adequate eye protection must be used when servicing this equipment to prevent the possibility of injury.</p>
	<p style="text-align: center;"><b>⚠ CAUTION</b></p> <p>THE FOLLOWING SECTIONS OF THIS MANUAL ARE INTENDED ONLY FOR QUALIFIED SERVICE PERSONNEL WHO ARE FAMILIAR WITH ELECTRICAL EQUIPMENT. THESE ARE NOT INTENDED FOR THE OPERATOR.</p>

# ORDERING SPARE PARTS

**\* Always speak to a Gold Medal Products Technical Service Advisor before ordering any parts to help ensure accuracy for your product. Included diagrams may not be the latest information.**

1. Identify the needed part by checking it against the photos, illustrations, and/or parts list.
2. When ordering, please include part number, part name, and quantity needed.
3. Please include your model name, serial number, and date of manufacture (located on the machine nameplate) with your order.
4. Address all parts orders to:

Parts Department  
Gold Medal Products Co.  
10700 Medallion Drive  
Cincinnati, Ohio 45241-4807

Or, place orders by phone or online:

# WARRANTY

WE WARRANT to the original purchaser the Gold Medal equipment sold by us to be free from defects in material or workmanship under normal use and service. Our obligation under this warranty shall be limited to the repair or replacement of any defective part for a period of six (6) months from the date of sale to the Original Purchaser with regard to labor and two (2) years with regard to parts and does not cover damage to the equipment caused by accident, alteration, improper use, voltage, abuse, or failure to follow instructions.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED, AND OF ALL OTHER OBLIGATIONS OR LIABILITIES ON OUR PART, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF. We neither assume, nor authorize any other person to assume for us, any other obligation or liability in connection with the sale of said GOLD MEDAL equipment or any part thereof.

The term "Original Purchaser" as used in this warranty shall be deemed to mean that person, firm, association, or corporation who was billed by the GOLD MEDAL PRODUCTS COMPANY, or their authorized distributor for the equipment.

THIS WARRANTY HAS NO EFFECT AND IS VOID UNLESS THE ORIGINAL PURCHASER FIRST CALLS GOLD MEDAL PRODUCTS COMPANY AT 1-800-543-0862 TO DISCUSS WITH OUR SERVICE REPRESENTATIVE THE EQUIPMENT PROBLEM, AND, IF NECESSARY, FOR INSTRUCTIONS CONCERNING THE REPAIR OR REPLACEMENT OF PARTS.
