# HAND SANITIZER

◀ #8888 16-oz bottle w/pump

*Everyday Protection - We've Got You Covered.*

Help keep your team and guests' hands clean with Gold Medal's Liquid Hand Sanitizer. Made with 80% ethyl alcohol, glycerin and hydrogen peroxide (no scent, perfume, or fragrance added), this FDA-approved and WHO-recommended formula will kill germs and harmful bacteria. It is fast-acting, convenient, and effective. Various sizes are available for easy dispensing and refilling, making it perfect for everything from high traffic areas to personal use.
